

№	NAME	Location	Thematic sections
1	<b><u>Power Engineering.</u></b> <b><u>Electrical Engineering.</u></b> <b><u>Automation</u></b>	Ukraine   Donetsk 02 June – 05 June 2009	Power and resource conservation at enterprises of basic industries – coal, metallurgic, chemical, mechanical engineering industries and municipal enterprise Coppers and auxiliary equipment Pipes and piping accessories Pumps and compression pumps Technologies and systems for water treating Heat-exchange equipment Line transformers Switching facilities Equipment for power line Relay protection facilities The use of non-conventional power types Controlling instruments, automation and diagnostic equipment Automated control system Electrical machines and apparatuses, electric drives electric aggregates and accumulators Controlling instruments Electronic components, functional assemblies, primary transducers, power sources Automation means for various industries
2	<b>Commercial real estate-2009</b>	Ukraine   Kyiv <b>02 June – 04 June 2009</b>	The exhibition "Real Expo 2009" includes 3 specialized exhibitions of realestate:  Second Specialized Exhibition "Commercial real estate-2009" - within the framework of exhibition are conferences, "round tables", seminars. Before participation investment and managing companies building are invited, developers, realtors and insurance companies, banks. Second International Exhibition-Forum "Investments in

			Real Estate and Construction-2009" - is a wide palette of possibilities for activation of bringing in of investments and introduction of innovative technologies, mastering of lots of lands and objects of the real estate, and also projects of development of existent productions.
			Third International Specialized Exhibition-Forum "Residential Real Estate-2009"
3	<b>International Ecological Forum Waste management. Municipal Services</b>	Ukraine   Lvov <b>03 June – 05 June 2009</b>	Materials and technologies for engineering networks building;
			Pipeline systems. Management of gas-, heat-, water-maintenance and water drains.
			Municipal thermal-energy. Materials and technologies for heat isolation;
			Preparation of water for drinking and production measures.
			Waste and waste processing technologies:
			Recycling of waste, waste processing technologies;
			Transportation, sorting, and distribution of waste;
			Biogas production;
			Restoration of polluted territories;
			Building and using of waste ranges;
			Systems and technologies for waste management. Road-municipal Services
			Clearing of streets, supporting services;
			Machines for gathering and transporting of waste. Tanks for waste;
			Clearing of water drains. Transport for liquid waste. Multifunctional machines;
			Means for winter street Cars for snow-clearing.

			Territory Development:
			Children and sport areas; Recreation zones.
			Gardening technologies. Other Services:
			Engineering, consulting, and expert services;
			Financial institutions, trade associations;
			Educational institutions. Learning and training. Special edition. Public organizations
4	<b>International Exhibition of Photoequipment, Photomaterials and Digital Technologies</b>	Kyiv Ukraine <b>04 June – 07 June 2009</b>	<b>Conventional Photography:</b>
			professional and Amateur Photo technics;
			consumables and minilabs;
			photo materials and chemicals;
			additional equipment and accessories;
			cameraphones, smartphones;
			computer programs for image processing;
			scanners, printers, copy machines, plotters;
			photo albums;
			fillet and frames
			<b>Photo Service and Applied Photography:</b>
			photo services;
			advertising and fashion agencies;
			design studios;
			publishing photo houses, photo sites;
			photo banks and photo archives

			seminars and master-classes
			photo vernissage
			professional and amateur photo contests
5	<b><u>Warehouse Terminal &amp; Logistic</u></b>	<b>Venue:</b> National Complex - Expocenter of Ukraine, Kiev, Kiev City, Ukraine <b>Date: 10-JUN-09 to 12-JUN-09</b>	Agro Expo is the Leading Exhibition for Agriculture, Agricultural Machinery, Livestock Farming and Food Industry in Ukraine. It would provide exposure to farmers about the latest agri-input products, technologies, farming practices, government schemes, marketing and post harvest management.
6	<b><u>Inter Transport</u></b>	<b>Venue:</b> Exhibition Center Odessa Home, Odesa, Odes'Ka Oblast', Ukraine	Inter Transport, International Exhibition on Transport, Port Complexes and Intermodal Shipments. This exhibition annually takes place in Odessa, attracts the European Community attention to the Black Sea Region - the key zone for the international transport corridors network developing. The Conference and Exhibition are aimed to assist in all the participants' of the transport process reliable partnerships development.
7	<b><u>Paul McCartney</u></b>	<b><u>Painting Exhibition at Kiev</u></b> <b>Date: 15-JUN-09</b>	Painting by Paul McCartney A visitor looks at a painting by former Beatle Paul McCartney during an exhibition in Kiev, Ukraine on Friday, June 13, 2008. McCartney was scheduled to perform a charity concert in Kiev June 14.

8	<b><i>BREAD/CONFECTIONERY -2009</i></b>	<i>Location Kyiv International Exhibition Center 15, Brovasky ave.</i>	<b>Agricultural machinery, equipment, accessories, tools, spare parts</b>

		<i>Dates: 9-12 June 2009</i>	
			<b>Irrigation and drainage systems</b>
			<b>Machinery and equipment for the food industry</b>
			<b>Plant protection and fertilizers</b>
			<b>Seed and plant production</b>
			<b>Horticulture, fruit-growing and vegetable gardening</b>
			<b>Livestock farming and breeding</b>
			<b>Horse breeding and equestrian sport</b>
			<b>Feedstuff production</b>
			<b>Veterinary medicine</b>
			<b>Fish farming</b>
			<b>Mushroom industry</b>
			<b>Production of biomass fuel, renewable and alternative energies</b>
			<b>Agricultural sciences and education</b>
			<b>Hunting and forestry</b>
			<b>Food and drinks</b>
9	<b>«Mushroom Expo-2009»in</b>	Expocenter of Ukraine» National Complex, Kyiv	Mushroom growing technologies.

	<b>the framework of «Agro-2009»</b>	<b>on June 11-13, 2009</b>	
			<b>Equipment and technologies for processing, storing, packing and transporting of edible mushrooms, mycelium, substrata, etc.</b>
			<b>New strains of edible and medical mushrooms.</b>
			<b>Biological remedies mushroom growing stimulation.</b>
			Modern protection techniques for mushrooms and <b>substrata.</b>
			<b>Raw stuff, feeding additives and roofing materials for high-yield mushroom growing.</b>
			BAA and <b>medicineon mushroom basis.</b>
			Air-conditioning and climate the control systems.
10	<u>World of Liquefied and Compressed Gas</u>	<u>KyivExpoPlaza Exhibition Center</u> <b>10 June – 12 June 2009</b>	Gas fuels:
			Equipment for autogas dispensers, stations and mini-AGFCS
			Gas-cylinder and other vehicle LPG, LNG and CNG systems
			Using gas fuel on other kinds of transport
			Equipment for gas manufacture, storage, transport
			Gas compressing and liquefying:
			Systems of manufacture of technical gases
			Cryogenic and frozen gases
11	Industrial Forum "Paton-Expo" includes 5 Specialized industrial exhibitions:	<u>KyivExpoPlaza Exhibition Center</u> <b>10 June – 12 June 2009</b>	Fastening Elements and Instruments
	Fastening Elements and Instruments		Materials and equipment for manufacturing of fastening elements: bolts, screws, nuts, washers, closing rings, studs, joint-pins, cotter-pins, rivets, staples, clamps, lock washers etc.
	Industrial Ecology		Specialized types of fasteners for avia, automotive, sea, railway transport
	Non–Destructive Testing		Glues, joint sealants, adhesive ribbons and films, compositions for fastening fixation

	Pipeline Transport		Materials for renovation of thread joints
	Welding. Related Technologies		Equipment and tools for creating of non-detachable joints
			Tools: automatic, diamond, marking, pneumatic, cutting, hand, bench work, erection, abrasive
			Industrial Ecology
			Processing of industrial wastes: gathering, transportation, storage and processing of wastes
			Technologies and equipment for wastes packing and processing
			Recycling, selective gathering, secondary resources
			Sewage waters cleaning
			Resource-saving production systems of secondary processing:
			Mechanical, physical-chemical, thermal, biology, combined technologies of secondary processing
			Products of secondary processing
			Minimization of wastes, wasteless technology:
			Manufacturing systems
			Energy from wastes
			Ecology of industry
			Other
			Non-Destructive Testing
			Techniques and means of NDT in metallurgy, civil and industrial building, transport machine-building and other branches of industry:
			acoustic emission
			vortex-current
			capillary
			infra-red
			magnetic-powder
			radiation
			ultrasonic
			X-ray
			Techniques and means of a control of technical condition of structures and technology equipment when manufactured and running

			Methodology and technology solutions for organization of monitoring of technical condition of complicated systems
			Normative and metrology providing of NDT
			Pipeline Transport
			Tubes manufacturing (steel, cast iron, polymeric, concrete)
			Main, technology and industrial pipelines
			Household and gas-distribution pipelines
			Industrial pumps and compressors
			Industrial stop valves
			Machines and equipment for pipelines building
			Equipment and technologies for joining of tubes
			Joining elements of pipelines
			Technical diagnostics, monitoring and passportization of pipeline systems
			Materials and technologies for corrosion protection of pipelines
			Heat- and hydro-isolation materials for pipelines
			Design of pipeline systems
			Measuring devices for oil and gas branch and municipal engineering networks
			Special literature and periodicals
			Others
			Welding. Related Technologies
			Welding and industrial technologies of joining
			Welding: arc, plasma, spot, gas-oxygen, special
			Equipment for arc welding technologies
			Wire feeders for MIG/MAG
			Welding torches and accessories for TIG, MIG/MAG
			Equipment for plasma welding and cutting
			Equipment for gas-flame technologies of welding and cutting
			Equipment for spot welding
			Equipment for other technologies of welding and cutting

			Components for production of welding equipment
			Welding materials
			Electrodes for arc technologies
			Solid and flux–cored wire, rods for welding and surfacing
			Shielding and combustible gases for welding
			Welding fluxes
			Equipment and materials for deposition and surfacing
			Technologies, equipment and materials for brazing and soldering
			Welding of plastics and plastic pipes
			Joining by cold forging
			Riveting
			Stud welding
			Welding of heat exchangers (tubes and tube plates)
			Welding robots, manipulators, mechanization means, conductors
			Glue joining
			Equipment for thermal treatment of welded structures: at mounting site, at serial production, for welding materials
			Standardization and certification in welding production
			Personnel attestation and training
			Technologies of repairment and renovation of metal structures and metalware
			Scientific and information services
			Blank production, metal cutting
			Coordinate machines for metal cutting
			Machine cutting torches:
			Gas–oxygen
			Laser
			Plasma
			Hydro–abrade
			Equipment for precize cutting of plate and tube edges
			Specialized equipment for tube bending
12	<u>Baby Fashion</u>	Ukraine   Kyiv	Clothes for newborns

		<b>27 August – 29 August 2009</b>	
			Clothes for children and teenagers
			Knitted wear
			Festive attires
			Fancy dresses
			Casual look garment
			Footwear
			Accessories
			Children's cosmetics and perfumery
13	<u>Games and Toys</u>	Ukraine   Kyiv <b>03 September – 05 September 2009</b>	
			Soft, plastic and wooden toys
			Dolls and accessories
			Developing games, puzzles
			Mechanical and radio-controlled models
			Electronic and computer games
			Goods for children's creativity and hobby
			Books for children
			Equipment for children's playground, children's transport, baby carriages
			Children's furniture and accessories
14	<u>Salon for Decor and Gifts</u>	Ukraine   Kyiv <b>03 September – 05 September 2009</b>	
		<u>KyivExpoPlaza Exhibition Center</u>	
			Artificial Christmas trees, green garlands, Christmas tree glass ornaments and accessories, carnival costumes, masks, candles, electric garlands, confetti, serpentine .
			GOODS FOR HOLIDAY CONDUCTING AND DESIGNING:

			Holiday interior design, holiday trapping, pyrotechnical goods, fireworks, salutes, party poppers, sparklers, laser – shows, ballons.
			CHRISTMAS AND NEW YEAR GIFTS:
			Package for presents and flowers, congratulations cards;
			SOUVENIRS:
			Porcelain glass and crystal goods, folk crafts, candlesticks, vases, cache-pots, etc.
			HOLIDAY DECORATION FOR SHOP WINDOWS;
			CONDUCTING AND MAKE - PARTY SERVICE.
			- Gifts and souvenirs for interior;
			- Accessories for interior, reproduction of pictures, mirrors, fillets and frames;
			- Decorative goods of ceramics, glass, porcelain and metal;
			- Photograph albums, frames for photo and pictures;
			- Watch and clock;
			- Chandeliers, standard lamps, lamps;
			- Aquadesign, fountains, aquariums;
			- Decorative textiles, carpets;
			- Souvenirs and business souvenirs;

15	<u>FURN' EQUIP</u>	Ukraine   Kyiv <b>24 February – 27 February 2009</b>	International Specialized Exhibition-Forum
		<u>KyivExpoPlaza Exhibition Center</u>	
			The XI specialized exhibition-forum "Investate-2009" and exhibition "International Real Estate-2009" will be held on February 24-27th , 2009 in the International Exhibition Centre in Kiev, Brovarkoy avenue, 15
